

Drying cabinet

DC6-8_m with heat pump

Drying Cabinets have no mechanical action and are used to efficiently dry bulky items such as workwear/overalls/gloves and boots or delicate items such as silk and linen

Priority on people

Ergonomic design, with user friendly positioning of door handle, control panel and suitable for disabled users

- Easy operation with 2 automatic drying programs, which will stop once the load is dry
- Braille script
- 18-20 extensible hangers for easy loading/unloading, reversible
- Flexible installation with adjustable feet
- Insulated doors for quiet operation and robust design

Long-term savings

By using a Drying Cabinet with a Heat Pump, not only can you avoid exhaust connection you can reach energy saving of 40% compared with an electric vented version. There are two options of heat pump versions

Productivity

Time saving when used instead of flat or hang drying. The door can be opened a short moment without stopping the drying process

Safety

Option to activate child safety start lock.

- Door circuit breaker which interrupts the drying process when the door is opened

Accessories

- Shoe rack to make it easier to dry shoes and boots.
- Glove hanger for more efficient drying of gloves, hats etc. 988704088, 432730570
- Hanger which makes hanging of garments easier. 988704089, 432731032

Main specifications		DC6-8_m
Rated capacity	kg	8
Evaporation*	g/min	50
Drying time cotton*	min	60
Rated input	kW	2.3
Energy/load of linen	kWh/kg	0.35
Energy/water evaporated	kWh/l	0.70

* Applies to 8 kg dry weight cotton with 50% residual moisture.

Electrical connection		DC6-8_m
Voltage	400V 3N AC 50 Hz	
Traditional thread locker	kW(A)	2.3(10)
Automatic circuit breaker	kW(A)	2.3(10)
Sound level		
Pressure level*	dB(A)	<70
Weight		
	net, kg	189
Dimensions in mm		
A	Width	1195
B	Depth	645
C	Height	2060
D		425
E		1080
F		90
G		2075
H		435
I		450
J		810
K		850
1 Operating panel 2 Condensation nipple \varnothing 18 mm and 3 m hose included		

Colour of front and side panels is silver grey and handle is dark blue

* Sound power levels measured according to ISO 60704
